MINIMONEYMUSEUM

where ideas count

56-58 Old High Street / 11-4 / Wed to Sun / Entry Free
Part of the **FinanceFolkestone Project**

Putting an end to the idea that economics is a dismal science, this exhibition uses artistic media to document research and teaching about money. The idea is to add imagination and ethics to the mechanics of finance. The exhibition looks at the history of money, its modern meanings, how the subject can be taught in secondary schools and how it serves practical projects.
